SIGNIFICANCE

Each year, the GreenLight Fund introduces one new nonprofit organization to the Boston community at the GreenLight Gala. The 2008 GreenLight Gala will be held at the Colonnade Hotel, to showcase and benefit Youth Villages, a program developed in Tennessee as an intensive approach that is helping hundreds of youth leaving the foster care system make a successful transition into adulthood. Net proceeds from the 2008 gala will go directly to support the early launch and development of the Youth Village's Transitional Living program in greater Boston.

Contact the GreenLight Fund if you would like to Sponsor a table at the Gala and help us support Youth Villages in Boston.

GREENLIGHT FUND

The GreenLight Fund identifies ground-breaking, innovative, and results-oriented nonprofits in cities around the country and helps bring those programs to Boston that have the potential to address critical needs affecting low-income families and children here.
